## **5<sup>th</sup> annual SGV Youth Summit**

The Prevention Program at Pacific Clinics - Asian Pacific Family Center and its 40+ community partners—is hosting its 5<sup>th</sup> Annual San Gabriel Valley-wide Youth Summit for *all* students between **6<sup>th</sup> and 12<sup>th</sup> grades on Saturday, March 8<sup>th</sup>, 2014 from 8am to 3:30pm** at Garvey Intermediate School in Rosemead, CA. Themed “Making Waves In The Community,” the 5<sup>th</sup> Annual Youth Summit seeks to empower youth by teaching them to develop leadership skills through leadership and advocacy, successful transitions, health and wellness, and learning from our diverse communities. We are collaborating with over 20 community and educational agencies to host **FREE** workshops on a wide range of topics. Some of the topics this year include arts and entertainment, financial literacy, college preparedness, creative writing, bullying, gang and substance abuse prevention, race and racism, healthy relationships, and many more.

Our first four Youth Summits were great successes with a total of over 1,000 youth participants and volunteers in attendance! We could not have generated such outcomes without the community’s support and more importantly, your active attendance and participation as the youth! Please join us once again in this community effort to make the 5<sup>th</sup> Annual Youth Summit an even greater success.

That being said, we are using an online registration form this year with the help and support from Planned Parenthood of Pasadena and SGV. Registration closes on **March 1, 2014** so please sign up by using the following link: <http://www.surveymonkey.com/s/sgvyouthsummit>! The first 100 youth who arrive to Youth Summit will receive FREE T-Shirts! Gates open at 8am, so arrive early! Even though walk-ins are welcome, we hope to get all the youth registered for a better count of resources and food needed. Thank you for your cooperation and help in supporting this free, drug-free youth event.

**Adult volunteers** (college, working professionals, and those 18 years and older) can sign up at

Dear Community Partners,

The Garvey School District, Asian Pacific Family Center and its community and school partners invite you to participate at the **5<sup>th</sup> annual San Gabriel Valley Youth Summit – “Making Waves in the Community”** on **Saturday, March 8<sup>th</sup>, 2014 at Garvey School** (2720 N. Jackson Avenue, Rosemead, CA 91770) by encouraging youth 6<sup>th</sup>-12<sup>th</sup> grades to attend. Last year, we had over 400 youth, 175 adult participants and were featured in a variety of print and broadcast media. We were fortunate to have Assembly member Mike Eng, Rosemead City Councilwoman Sandra Armenta, Garvey School Board Superintendent Sandra Johnson, administrators, and others represented at the Youth Summit. **We welcome all students from any communities in Southern California to this free, substance-free, youth leadership event.**

#### **About the Conference**

The summit is meant to unite youth and others to address youth leadership, education, and empowerment. In addition to our general sessions, the workshops will provide helpful resources to support and promote dialogue among communities and their leaders, youth, and others on taking initiative to becoming a building block in developing strong communities. Our main tracks are:

- Youth leadership and advocacy
- Successful Transitions
- Health and Wellness
- Learning from our Diverse Communities
